FOUNDER PRESIDENT'S MESSAGE

I strongly believe that in today's competitive world, the best theoretical knowledge alone is not sufficient without practical knowledge and pragmatic approach which my students learn while studying at Amity University Gurugram. I am delighted to see that the students at Amity University Gurugram are getting all the motivation, guidance and help from our dedicated faculty in developing their outer and internal personality. These efforts are greatly helping them not only in achieving academic excellence but also enable them to possess great human values and traits to become a perfect professional or a successful entrepreneur.

Our students are well equipped to meet industry demand, goals and expectations and can become a great asset for an organisation by taking any challenging assignment entrusted to them to their fullest expectation. Our focus is to groom young future leaders who are value driven human beings and competent professionals with deep passion for humanity, who will lead the world.

I am proud that Amity University Gurugram provides best of the practical and industry-focused education which attracts brilliant students. Our alumni are working in leading companies across the globe which is a testament that we inculcate in each student the spirit of dedication, sincerity and loyalty in collaboration with corporate industry who support our mission with so much of enthusiasm.

The focus of Amity University Gurugram is to impart world class education so that each one of my student becomes a success story in his/her life and my blessings would always accompany them and their families throughout their life.

A handwritten signature in black ink, appearing to read 'Ashok K. Chauhan'.

Dr. Ashok K. Chauhan

Founder President, Ritnand Balved Education Foundation
(The Foundation of Amity Institutions and the sponsoring body of Amity Universities)
Chairman, AKC Group of Companies

CHANCELLOR'S MESSAGE

It is with immense pleasure and a sense of pride that I welcome you to Amity University Gurugram. The University is a core part of Amity, one of the leading education group of India.

Amity University Gurugram with its evergreen campus spread over 110 acres, conducts a variety of programmes at UG and PG level, besides Ph.D programmes in the areas of Management, Engineering, Biotechnology, Computer Science-IT, Commerce, Journalism and Mass Communication, Fashion Design & Technology, Nursing, Architecture, Para-medical Sciences, Hospital Administration etc. In addition to core and elective courses, the focus is on the holistic development of the students.

Amity University Gurugram, has instituted global standards in education, training and research with world-class infrastructure and latest teaching methodologies. With the mission to train the future leaders of the corporate world, the University strives to blend modernity with tradition in each one of its students. Every student of Amity University Gurugram gets additional inputs in terms of learning foreign languages, communication skills, behavioral sciences, games and sports, military training etc. to help attain holistic development.

I invite you to be a part of this unique university and embark on a journey driven by exceptional pedagogy, inspiring faculty, global industry trends and deep rooted human values.

Aseem K Chauhan

Dr. Aseem Chauhan
Chancellor
Amity University Gurugram

“ The faculty at Amity University Gurugram are both inspiring and inspired. They are constantly exploring the frontiers of research and innovation across varied disciplines, and exploring new dimensions of knowledge. ”

Prof. (Dr.) P.B. Sharma
Vice Chancellor, Amity University Gurugram
Former Founder Vice Chancellor –
Delhi Technological University

“ We are firmly moving towards fulfilling our Founder President's dream of making each one of our students a success story. Our world-class infrastructure, dedicated faculty and focus on enhancing the employability quotient of students, is helping us to realise this dream. ”

Maj. Gen. (Retd.) B.S. Suhag
Dy. Vice Chancellor,
Amity University Gurugram

“ At the core of Amity University Gurugram is a deep commitment to research and innovation, as well as extensive industry integration and alignment with global trends and developments. This fosters an innovation led culture, that together with world-class teaching standards, imbues a spirit of lifelong learning amongst students. ”

Prof. (Dr.) Padmakali Banerjee
Pro Vice Chancellor,
Amity University Gurugram

“ At Amity University Gurugram, the relentless focus on innovation and comprehensive multidisciplinary centres of excellence, have resulted in student-led research initiatives that we are truly proud of. It is testimony to our sincerity and passion in integrating innovation into the daily routine, efficient implementation of research projects and optimal mobilisation of extra-mural research funds. ”

Prof. Rajendra Prasad
Dean, Faculty of Science, Engineering & Technology
Amity University Gurugram

WELCOME TO GURUGRAM – THE MILLENNIUM CITY

The Amity campus is located in the periphery of Gurugram, which is an integral part of the National Capital Region of Delhi, and has been synonymous with the financial and industrial progress that has led to massive urbanisation in India. In fact, today, the city of Gurugram has the third-highest per capita income in India.

The growth saga of Gurugram started in the 1970s, and today it is home to the country headquarters of more than 250 Fortune 500 companies. Popularly known as the Millennium City, Gurugram is universally acknowledged as one of the most important offshoring centres in the world. It provides outsourcing solutions across software, IT services and sales, through delivery facilities, KPOs and BPOs. It is also a major manufacturing hub and is the preferred location for Indian corporate headquarters for various international companies, including Coca-Cola, Pepsico, Chevrolet, and BMW among others. Several leading Indian MNCs also operate out of Gurugram such as Apollo Tyres, Aviva India, Indigo and Spicejet amongst others.

AMITY UNIVERSITY GURUGRAM

Amity University Gurugram helps you strive for unbound success.

It helps you realise your true potential and more. And it does that by putting in place a rigorous regimen which emulates global standards in education, training and research in an ambience consisting of state-of-the-art infrastructure and latest teaching methodologies.

Amity University Gurugram offers UGC (India's apex education body) recognized degrees valid across India and abroad for job opportunities and pursue higher studies.

INSPIRING FACULTY

The core faculty at Amity University Gurugram comprises academicians who are also industry and domain experts. You will be taught by ex-captains of Industry and by renowned academicians. These inspiring faculty members bring in a mix of rich global experience from leading universities across the world as well as industry relevant experience from top MNCs.

The world class caliber of the faculty is evident from the numerous patents that they have filed, the prestigious Govt. funded research projects conducted by them and the highly sought after case studies developed by them, bought by leading institutions and organisations all over the world.

UNPARALLELED MENTOR-MENTEE PROGRAMME

Amity University Gurugram has instituted the Mentor-Mentee Programme that uses a unique student-faculty mentorship model to empower students to achieve much greater heights in their career. Leveraging the extremely low student-teacher ratio, this mentor-mentee programme empowers students to use the knowledge and network of faculty as well as select members of the industry to align themselves with the right career and organisations. The students are able to reach out to faculty whenever they want to and are counselled on a regular basis by their mentors regarding their career choices, future course of action and much more.

CURRICULUM

At Amity, all learning is closely aligned with the industry, and the curriculum itself is developed in collaboration with diverse industry professionals and domain leaders from specialized sectors. It is only after extensive interactions and knowledge sharing with industry experts that the curriculum finally comes into shape. Moreover, the approach to learning at Amity is based a lot on actual work-like scenarios and job realities.

The learning process for students involves development of analytical skills, communication, and problem solving abilities, and a large experiential component of case studies, industry projects, presentations, research work and role-plays.

It is no wonder that Amity students are excelling in fields beyond their immediate area of study, as they are inspired to think beyond the classroom.

CHOICE BASED CREDIT SYSTEM

Choice Based Credit System offers interdisciplinary education i.e. it allows students to opt for courses cutting across disciplines. It focuses on leveraging the talent and innovative capabilities of the budding professionals to meet the needs of the contemporary dynamic business environment, thus making the students industry ready.

FLEXIBLE CREDIT SYSTEM Choice Based Credit System (CBCS)

The CBCS provides choice for students to select from the prescribed courses (core, concentration elective or open elective or skill based courses)

SCHOLARSHIPS

Amity has always been driven by the vision of its Founder President, Dr. Ashok K. Chauhan, to develop the next generation of leadership for organisations, communities and society at large. As a part of his vision, the Amity Scholarships were instituted to help those who are brilliant in academics and those who deserve world-class education but don't have the means.

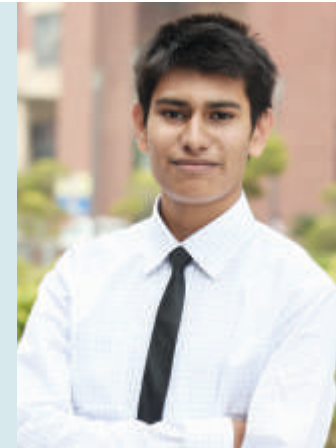

At Amity, financial limitations do not restrict academic pursuits and career dreams of deserving students. In view of that, the Institution has also tied up with premier banks to offer easy Education Loans to students.

HOLISTIC DEVELOPMENT

MILITARY TRAINING

PINNACLE OF LEADERSHIP, DISCIPLINE AND TEAMWORK DEVELOPMENT

A 7-day compulsory Military Training Camp is an integral part of the Personality Enhancement Module at Amity University Gurugram. You will get an opportunity to participate in many activities such as parasailing, trekking, and shooting, which will test and enhance your mental and physical agility, besides enhancing teamwork and leadership skills.

ALL-ROUND PERSONALITY ENHANCEMENT

Amity University Gurugram conducts regular Classrooms Sessions, Workshops, Group Discussions and Presentations to inculcate the right set of industry-appropriate soft skills in you.

GLOBAL EDGE THROUGH FOREIGN LANGUAGES

To facilitate holistic all-round development of students, Amity has a unique foreign language programme that aims to give students a distinct international edge. This foreign language programme offers students a choice of major world languages like French, German, Spanish, Japanese and Chinese. Along with foreign languages, Amity University also offers other personality development modules like Managerial Competency & Career Development (MCCD) and Managerial Excellence (ME).

VOCATIONAL TRAINING

Adding a further dimension to the holistic development of students, Amity has introduced vocational skills training. Amity has entered into a MoU with the Electronics Skill Sector Council and the Apparel Skill Sector Council to introduce highly credible vocational training programmes that are job oriented and aligned with real life industry scenario. The vocational training at Amity has expanded far beyond the traditional sectors and includes areas like retail, tourism and much more.

Amity's vocational training focusses on providing job specific technical training and involves hands-on instruction and practical job-focused knowledge.

WORLD-CLASS INFRASTRUCTURE

At Amity University Gurugram, carefully conceived and well designed features provide you with the right launching pad to embark on a highly rewarding career. All in all, it provides you with an environment-friendly campus which is home to several architecturally striking buildings.

CLASSROOMS

At Amity Gurugram, there are over 150 amphitheatre style, spacious and air-conditioned classrooms that create the perfect learning environment. These classrooms have been augmented with integrated audio-visual teaching aids.

LIBRARY

State-of-art library is equipped with high speed internet, computers and other information technology resources giving robust platform to students for information, data, reports, research papers, web libraries and other online resources helping them in their study and research. It is stocked with large numbers of books, magazines, periodicals, Indian & International Journals, online Journals supporting all aspects of studies and research.

AUDITORIUM

Students have access to a state-of-the-art auditorium with a seating capacity of over 1500 and a Seminar Hall with a seating capacity of 300 persons.

HI-TECH LABS

To provide the opportunity to students to study beyond the classroom, Amity University Gurugram has over 180 hi-tech laboratories. These state-of-the-art laboratories aim to give students the perfect hands-on learning experience and the ideal opportunity to put their theoretical learning into practice. Each future-ready laboratory has been equipped with all the latest technological innovations and facilities across diverse disciplines like Engineering, Biotechnology, Nanotechnology, Computer Science, Architecture, Psychology and Health Sciences.

LEARNING STUDIOS

The Learning Studios in Amity have been developed to provide students with real life simulations of actual work spaces that they will be in, when they join the industry. These avant-garde Learning Studios create a unique space for students to practice what they have learnt, providing them with a life-like & work-like platform to perform hands-on practical applications of their theoretical learning.

A slew of Learning Studios including a Moot Court and Live Television Studios that spanning diverse disciplines such as Law, Mass Media, Psychology, Fine Arts and Fashion Designing amongst others.

WORLD-CLASS FACILITIES

DIVERSE SPORTS FACILITIES

Amity University Gurugram has a world-class 20 acre sports complex and extensive sports facilities. Their international standard courts, grounds and practice areas are dedicated to a wide range of sports like cricket, football, basketball, baseball, badminton, tennis and volleyball, amongst outdoor games. Amity University Gurugram also has facilities for a huge array of indoor games and sporting activities, which include areas dedicated to chess, carrom, billiards, snooker, pool and table tennis, and a fully equipped gymnasium.

MESS AND CAFETERIA

The Amity University Gurugram campus has a vibrant and lively cafeteria and mess offering a wide variety of cuisines and several branded food outlets. In the mess, the daily menu is carefully crafted by a team of professional dietitians to ensure a well-balanced diet for students. Amongst the eating choices the students enjoy inside the campus, are a Cafe Coffee Day, Dosa Plaza and a #Hashtag Foods joint, which offer the choicest beverages and refreshments.

WORLD-CLASS FACILITIES

SECURE CAMPUS

Amity University Gurugram is a highly secure and safe campus that has a three tier security structure in place. Within the campus stringent and carefully monitored use of smart cards, bio-metric readers, latest IP cameras, fire warning systems, 24-hour guards and patrolling gypsy vehicles ensure that a fail-proof security system is in place 24 x 7.

Amity University Gurugram also follows a strict anti-ragging policy that has made it into a fully ragging-free campus.

TECH-SAVVY CAMPUS

The Amity University campus has 24-hour wireless Internet connectivity with data transfer speeds of 1 Gbps, to give students high speed access to all information including the university intranet Amizone.

The hi-tech campus also has special Open Learning Areas (OLAs) which have been specifically designed as open concept student interaction and engagement spaces. These OLAs house numerous innovations in educational technology, and facilitate interactions through digital media, 2D/3D visualisation, open lectures and encourages the BYOD (Bring Your Own Device) culture.

RESIDENTIAL ACCOMMODATION AND DEPARTMENTAL STORE

The Amity University Gurugram campus has comprehensive hostel facilities for 3,000 students. The modern hostel buildings offer every amenity that makes for a perfect living space for students. The entire campus has been designed to be a self-sustained one, catering to all needs of the student community. The campus is fully wi-fi internet enabled, and has a departmental store, offering everything from stationery and home appliances to sporting goods and day-to-day items, a bank, ATM, laundry service and 24x7 health support facilities for any medical needs of students.

INDIA'S FIRST UNIVERSITY TO DEVELOP ITS OWN STUDENT INTRANET APP

Taking a huge step forward in digitally empowering Amity students, Amity University created Amizone, the Amity Intranet App for smart phones and mobile devices. It is since been acknowledged as one of the best university intranets in the world.

Amizone introduces students to a world-class learning ecosystem on their mobile devices, that is powered on 'enterprise class' servers and high-end storage devices. This intranet app offers a single-point access to information, study material, recorded lectures, services and resources, for students and faculty. An ever-expanding and dynamic portal, Amizone is regularly upgraded with new features and modules to create a seamless learning experience for Amity students.

EXCELLENCE IN RESEARCH

Amity University's relentless focus on research and innovation has been a consistent feature since the time of its inception. Today Amity University Gurugram is a hub of innovation, with a thriving culture of research and thinking i.e. out of the box. This vibrant culture of innovation has in fact been lauded by leading minds from around the world. Dr. Deepak Pental, Former VC, University of Delhi, was talking about this very culture at Amity, when he said, "Future of Higher Education belongs to those who place Research and Innovation at the forefront of the University activities. I am happy that Amity University Gurugram has taken major strides in this respect."

At Amity the culture of research and innovation impacts everyone, and along with the faculty, many Amity students also have ground breaking achievements in diverse fields of study. The brilliant faculty and students of Amity are engaged in cutting-edge research projects by leading national and international organisations, institutions and universities like University of Lyon, France; DBT; Horticulture Mission; Haryana State Horticultural Development Agency; SERB-DST; BRNS/BARC; AMT USA; Ministry of Earth Science; IUAC New Delhi; MNRE; and MSDE, Gol among others. The research topics range from microbiology to agriculture to climate change and solar power among others.

It is this very commitment to innovation that has resulted in Amity Gurugram's faculty filing 253 patents and publishing 3400 research papers in prestigious peer reviewed journals and publications.
