INSPIRING FACULTY

The core faculty at Amity University Rajasthan comprises academicians who are also industry and domain experts. You will be taught by ex-captains of Industry and by renowned academicians. These inspiring faculty members bring in a mix of rich global experience from leading universities across the world as well as industry relevant experience from top MNCs.

The world class caliber of the faculty is evident from the numerous patents that they have filed, the prestigious Govt. funded research projects conducted by them and the highly sought after case studies developed by them, which are bought by leading institutions and organisations all over the world.

UNPARALLELED MENTOR-MENTEE PROGRAMME

Amity University Rajasthan has instituted the Mentor-Mentee Programme that uses a unique student-faculty mentorship model to empower students to achieve much greater heights in their career. Leveraging the extremely low student-teacher ratio, this mentor-mentee programme empowers students to use the knowledge and network of faculty as well as select members of the industry to align themselves with the right career and organisations. The students are able to reach out to faculty whenever they want to and are counselled on a regular basis by their mentors regarding their career choices, future course of action and much more.

CURRICULUM

At Amity, all learning is closely aligned with the industry, and the curriculum itself is developed in collaboration with diverse industry professionals and domain leaders from specialized sectors. It is only after extensive interactions and knowledge sharing with industry experts that the curriculum finally comes into shape. Moreover, the approach to learning at Amity is based on a lot of actual work-like scenarios and job realities.

The learning process for students involves development of analytical skills, communication, and problem solving abilities, and a large experiential component of case studies, industry projects, presentations, research work and role-plays.

It is no wonder that Amity students are excelling in fields beyond their immediate area of study, as they are inspired to think beyond the classroom.

SCHOLARSHIPS

Amity has always been driven by the vision of its Founder President, Dr. Ashok K. Chauhan, to develop the next generation of leadership for organisations, communities and society at large. As a part of his vision, the Amity Scholarships were instituted to help those who are brilliant in academics and those who deserve world-class education but don't have the means.

At Amity, financial limitations do not restrict academic pursuits and career dreams of deserving students. In view of that, the Institution has also tied up with premier banks to offer easy Education Loans to students.
